Our largest project is the construction of a neighborhood in South Knoxville which will provide safe and economical housing, when finished the neighborhood will include home, a chapel and a recreation center. Breakthrough is the only organization in Tennessee who has as its mission to, "Improve the Lives of Adults with Autism". This clear focus enables us to provide well trained staff to meet the needs of those in our care. Breakthrough is supported by individual donors, foundations and local, state, and federal governments. We greatly appreciate those who have joined us in our work by making donation, giving in-kind support, sponsoring fund raising support, sponsoring fund raising activities and/or volunteering and are always looking for opportunities to partner with others to fulfill our mission.
